Dear Mr. Hiramatsu:

It is a pleasure to offer you an appointment as a Visiting International Undergraduate Research Student in the Department of Electrical and Computer Engineering under the supervision of Professor Junichiro Kono. Support for your visit is being provided Rice University through a grant from the Nakatani Foundation. You will be required to [register](#) for a three (3) credit research internship course. The required application fee of \$100.00 has been already paid by the Electrical and Computer Engineering Department. We anticipate your appointment will continue from August 10, 2016, through September 26, 2016. This appointment makes you subject to University policies, procedures, rules and regulations as if you are a scholar at Rice.

A state law requires all "entering students" to be vaccinated against bacterial meningitis if you are under the age of 22 as of the first day of classes. You must receive the vaccination at least ten days before registration and provide documentation of your vaccination or documentation of a doctor's appointment for the vaccination with your application. Documentation of your vaccination must also be sent to [Student Health Services](#) prior to registration. If you are under 18 at the time of registration please fill out an [Underage Consent Form](#).

In addition all Rice international students, scholars, and their dependents are required to maintain health insurance coverage for the full duration of their stay in the United States. Information on satisfying this requirement is contained in the document "[International Student & Scholar Health Insurance Requirements](#)," prepared by the Office of International Students and Scholars at Rice University.

Immediately upon arrival at Rice University you must report to the Electronic and Computer Engineering Departmental Office and then to the Office of International Students and Scholars for completion of other paperwork. At that time you are required to present a copy of this appointment letter, all immigration documents, and a passport

Please indicate your acceptance of this appointment, under the terms prescribed, by signing and returning a copy of this letter to [dengfrontdesk@rice.edu](mailto:dengfrontdesk@rice.edu).

Sincerely,

Edith L. Reed
